

注：赛题一详细说明（将在 FAQ、技术圈、选手交流钉钉群第一时间赛题最新信息，请持续关注）

* 赛题一为“A 股上市公司二季度营收预测”，请根据主办方提供的“预测股票列表”进行预测，列表中已为选手去掉 ST、近期有重大并购重组或长时间停牌的公司；最终提交结果也以该表格列举的股票为准

* 赛题一要求的预测内容为上市公司发布的 Q2 营业收入，提交结果内容为上市公司前两个季度营收值，即上市公司半年报发布的营业收入值

* 赛题一要求的预测项为“营业收入”，请注意与“营业总收入”区分开；营业总收入=营业收入+其它收入（金融类）+营业总收入的调整金额

Notice: detailed instructions for topic 1 (Please follow us on FAQ, Forum, DingDing chat groups for latest information regarding the topic)

- Topic 1 is “Quarterly Revenue Forecast for Public Companies”, please do the forecast according to the stock list provided by the organizer. The list has already excluded companies with special treatment, major mergers & acquisitions or long-time suspension, and the final submission will be based on stocks on the list.
- Topic 1 requires contestants to forecast the second-quarter revenue of listed public companies, the submission will be judged based on the operating revenue of the semi-annual report published by listed companies.

- Please note the difference between “operating revenue” and “total revenue” , “total revenue” = operating revenue + non-operating revenue + adjustment of total revenue. The topic requires forecast on operating revenue only.
